

CAMBODIA REDD+

Key activities for 2014

**Mr. Vathana Khun
Head of REDD+ Secretariat**

20. December 2013

Outcome 1

- The first meeting of technical teams to be held
 - Benefit sharing
 - Safeguards
 - MRV & M
 - Demonstration

Outcome 2

- **Benefit sharing and fund management**
 - REDD+ National Fund to be established
 - Preferred options for benefit sharing mechanisms to be identified
- **Safeguards**
 - Development of national REDD+ safeguards
 - Development of safeguard information systems
 - Establishment of REDD+ grievance mechanisms
- **National REDD+ strategy**
 - Identification of key drivers of deforestation and forest degradation

Outcome 3

- On-going support for sub-national/national level REDD+ activities
- Scaling up from project to sub-national/national level approaches for REDD+

Outcome 4

- Determination of NFI method and completion of forest inventory manuals (guidelines)
- Analysis of past and current forest cover change
- Determination of forest cover monitoring (satellite remote sensing) methods
- Central database of all information on forest monitoring, and MRV (including database for tree species identification)
- Preliminary design of the national REL framework

Two Questions

- What are key steps to reach the second phase?
- What are challenges and opportunities to address?

Phase 1: Readiness

Phase 2: Implementation of policies and measures

Phase 3: Performance based payments
