

CAMBODIA REDD+ PROGRAMME

The Forest Carbon Partnership Facility (FCPF)

FCPF Inception Workshop

Dr. Timothy Boyle , Regional Programme Coordinator

Inception Workshop of FCPF REDD+ Readiness Project

Inter-Continental Hotel, 14 March 2014

Background to the FCPF

The FCPF was launched at the 13th session of the Conference of the Parties to the UNFCCC in Bali, and became operational in June 2008.

Currently there are 44 participating countries, and 15 donors or contributors from both the public and private sectors are supporting the FCPF financially.

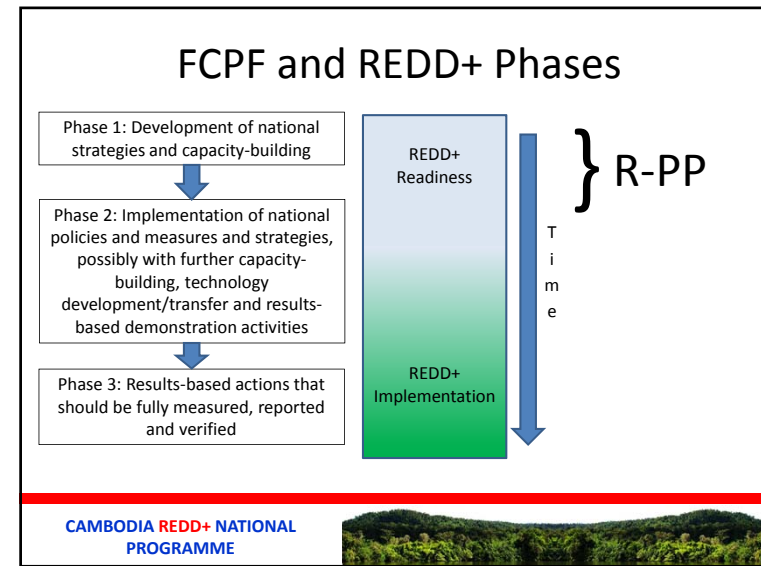

CAMBODIA REDD+ NATIONAL PROGRAMME

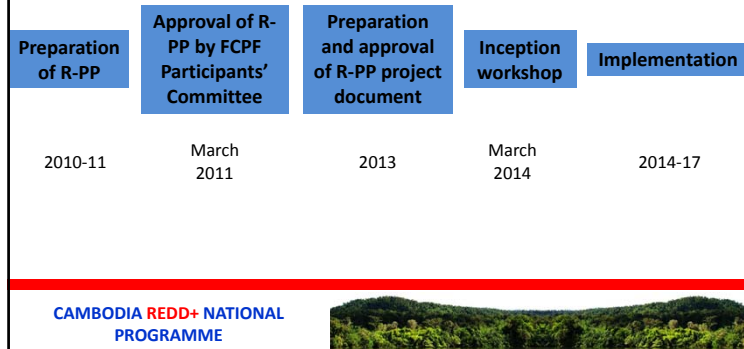

Background to the FCPF

The Forest Carbon Partnership Facility assists developing countries in their efforts to reduce emissions from deforestation and forest degradation and foster conservation, sustainable management of forests, and enhancement of forest carbon stocks by providing value to standing forests.
